

IN-HOME CONSIGNMENT

We sell your furniture for you.

Furniture, art, tools and collections.

We come to your home, photograph what you want to sell and research comparable sold pieces. We prepare the listings, answer buyer messages and coordinate the sale.

Nothing up front. We are paid a share of what sells.

Local pickup

We coordinate the visit. You meet the buyer and receive payment before the piece leaves.

Online shipping

You typically pack and ship with our label. Help may be arranged under the agreed scope.
